CORRECTION TO ISSUE 32

Because of an editorial error, the footnotes on pages 24 and 25 of the article by Ross Bond in issue 32 ('The political "non-alignment" of Scottish national identity') were printed incorrectly. The source on p.24 (Figure 2) should read '1997 Scottish Election Survey', and the source on p.25 (Figure 3) should read '1997 Scottish Referendum Survey'. The text of the article is correct (pp.26-7).
